

Program-at-a-Glance

		Thursday June 25, 2015	
Time\Place		International Conference Hall, HSSB	1st Conference Room, HSSB
15:00-17:00	Registration (13:00-17:00)	Pre-symposium Workshop 1 Chairs: Drs. Yun Yen, Xiao-Fan Wang	Pre-symposium Workshop 2 Chairs: Drs. Richard Zhao, TC Wu
		Cancer Therapeutic Agents Workshop Dr. Li-Kuo Su Dr. Robert Diasio Dr. Mien-Chie Hung Dr. Meiyu Geng Dr. Yun Yen	Chinese Biopharmaceutical Association (CBA) Theme: New Therapeutic Development against Human Diseases Dr. Richard Zhao Dr. Wanjun Chen Dr. Xuhang Li Dr. Wenxia Song Dr. Hongbin Wang
18:00-20:00	SCBA 30th Anniversary Celebration Dinner (Taipei World Trade Center Club) Bus Schedule: 17:20 in lobby of HSSB *By Invitation Only		

HSSB: A*: Intl. Conference Hall B*: 1st Conference Room C*: 2nd Conference Room
 Activity Center: D*: 1st Conference Room E*: 2nd Conference Room F*: Lecture Hall G*: Auditorium

		Friday, June 26, 2015	
Time\ Place	International Conference Hall, HSSB		
09:00 09:40	Registration (08:00-17:00)	Opening Ceremony	
		Welcome Speeches & Opening Remarks	
09:40 10:20		Keynote Lecture 1 Dr. Thomas Steitz 2009 Nobel Laureate in Chemistry	
10:20 10:55		Scientific Breakthrough Lectureship Dr. Chi-Huey Wong	
10:55 11:15		Coffee Break	
11:15 12:05		Plenary Lecture 1 Dr. Wah Chiu Dr. Xinnian Dong	
12:05 14:00		Lunch / Poster session 1– Odd Number (12:15-13:45)	

HSSB: A*: Intl. Conference Hall B*: 1st Conference Room C*: 2nd Conference Room
 Activity Center: D*: 1st Conference Room E*: 2nd Conference Room F*: Lecture Hall G*: Auditorium

Time\Place		Friday, June 26, 2015					
		A*	B*	C*	D*	E*	F*
14:00 15:15	Registration (08:00-17:00)	Concurrent Session 1A The Roles of miRNAs and Non-Coding RNAs in Diseases	Concurrent Session 1B Breast Cancer and Steroid Hormone Signaling	Concurrent Session 1C Tumor Microenvironment in Cancer Progression and Metastasis	Concurrent Session 1D Neural Development and Circuit	Concurrent Session 1E Novel Molecular Mechanisms of Prostate Cancer Progression	Concurrent Session 1F Epigenetics and Chromatin
		15:15 15:35 Coffee Break					
15:35 16:50		Concurrent Session 2A Diagnosis and Treatment of Genetic Diseases	Concurrent Session 2B Nuclear Receptor and Prostate Cancer	Concurrent Session 2C Anticancer Drug Discovery: From Targeted Therapy to Cancer Metabolism	Concurrent Session 2D Formation of Axons, Dendrites, Synapses and Circuits	Concurrent Session 2E Effective and New Approaches for Cancer Prevention	Concurrent Session 2F Biology of Aging
		16:50 17:00 Mini Break					
17:00 19:00		Welcome Reception (4F, HSSB, Academic Sinica)					

HSSB: A*: Intl. Conference Hall B*: 1st Conference Room C*: 2nd Conference Room
Activity Center: D*: 1st Conference Room E*: 2nd Conference Room F*: Lecture Hall G*: Auditorium

Time\ Place	Saturday, June 27, 2015					
	International Conference Hall, HSSB					
08:30 08:35	Administrative Announcement					
08:35 09:15	Keynote Lecture 2 Dr. Lewis Cantley					
09:15 09:50	Dr. Tsai-Fan Yu Legacy Lecture Dr. Susan B. Horwitz					
09:50 10:10	Coffee Break					
10:10 11:00	Plenary Lecture 2 Dr. Pan-Chyr Yang Dr. Sunney Xie					
11:00 12:45	The Journal Editors Session: How to Publish Editors: Wen-Chang Chang, Angela Eggleston, Li-Kuo Su, Jie Wang & Valda Vinson					
12:00 13:30	Lunch					
13:30 14:45	A*	B*	C*	D*	E*	F*
	Concurrent Session 3A Metabolism and Epigenetics in Cancer	Concurrent Session 3B Cancer Stem Cells and Signaling in Cancer Development	Concurrent Session 3C Regulation of Immune Responses	Concurrent Session 3D Cell Signaling and Alzheimer's Disease	Concurrent Session 3E Microbiome and Inflammation	Concurrent Session 3F Hedgehog Signaling in Development and Disease
14:45 15:00	Coffee Break					

Registration (08:00-17:00)

HSSB: A*: Intl. Conference Hall B*: 1st Conference Room C*: 2nd Conference Room
Activity Center: D*: 1st Conference Room E*: 2nd Conference Room F*: Lecture Hall G*: Auditorium

Time\ Place		Saturday, June 27, 2015					
		A*	B*	C*	D*	E*	F*
15:00 16:15	Registration (08:00-17:00)	Concurrent Session 4A	Concurrent Session 4B	Concurrent Session 4C	Concurrent Session 4D	Concurrent Session 4E	Concurrent Session 4F
		New Insights into Tumor Angiogenesis and Metastasis	Pin1 in Phosphorylation Signaling and Disease Treatment	T cell Differentiation and Diseases	Novel Anticancer Target Identification and Drug Discovery	Trichoderma and Their Applications in Biomass Degradation and Biocontrol	Immunology and Inflammation
16:15 16:30		Mini Break					
16:30 17:45		Concurrent Session 5A	Concurrent Session 5B	Concurrent Session 5C	Concurrent Session 5D	Concurrent Session 5E	Concurrent Session 5F
		DNA Damage Response: Mechanistic Implications in Cancer Development	p53, DNA Repair, Metabolism, and Anticancer Intervention	Ubiquitin Signaling in Inflammation and Cancer	Cancer Microenvironment and Immunotherapy	Proteins and Peptides in Drug Delivery	Genome Maintenance
17:45 18:00		Mini Break					
18:00 19:30				Career Development in Academy (Light dinner provided)		Funding, Training and Knowledge-Based Resources (Light dinner provided)	

HSSB:

A*: Intl. Conference Hall

B*: 1st Conference Room

C*: 2nd Conference Room

Activity Center:

D*: 1st Conference Room

E*: 2nd Conference Room

F*: Lecture Hall

G*: Auditorium

Time\ Place	Sunday, June 28, 2015						
	International Conference Hall, HSSB						
08:30 08:35	Administrative Announcement						
08:35 09:10	Presidential Award Lecture Dr. Wei Yang						
09:10 09:20	Lifetime Achievement Award Lecture Dr. Horace Loh						
09:20 10:00	Young Investigator Award Lecture Dr. Hongjun Song, Dr. Nieng Yan						
10:00 10:20	Coffee Break						
10:20 10:50	KT Jeang Memorial Lecture Dr. Yuan Chang						
10:50 11:40	Plenary Lecture 3 Dr. Li-Huei Tsai Dr. Lieping Chen						
11:40 13:30	Lunch / Poster Session 2 - even number (11:50-13:20)						
	A*	B*	C*	D*	E*	F*	G*
13:30 14:45	Concurrent Session 6A Regulation of Energy Metabolism in Human Disease	Concurrent Session 6B RNA Helicase and RNA Binding Proteins: From Biochemistry to Disease	Concurrent Session 6C Chromatin and Genome Maintenance	Concurrent Session 6D iPSC-Based Modeling of Neurodevelopment and Diseases	Concurrent Session 6E New Roles for Thyroid Hormone in Metabolic Regulation and Diseases	Concurrent Session 6F Heart Development and Diseases	Concurrent Session 6G Frontier in Leukemia Therapy

Registration (08:00-17:00)

HSSB: A*: Intl. Conference Hall B*: 1st Conference Room C*: 2nd Conference Room
Activity Center: D*: 1st Conference Room E*: 2nd Conference Room F*: Lecture Hall G*: Auditorium

Time\ Place	Sunday, June 28, 2015							
	A*	B*	C*	D*	E*	F*	G*	
14:45 15:00	Coffee Break							
15:00 16:15	Registration (08:00-17:00)	Concurrent Session 7A Nuclear Receptor-Mediated Signaling in Liver Cancer	Concurrent Session 7B MAO A Dysregulation and Related Disease	Concurrent Session 7C Genetic and Genomic Approaches for the Study of Sexual Development	Concurrent Session 7D TGF-Beta Signaling in Stem Cell and Cancer	Concurrent Session 7E Frontiers in Functional Exploration of GLP-1 and GLP-1 Based Drugs in Diabetes and Obesity Treatment and Prevention	Concurrent Session 7F DNA Replication and Genome Stability Research in China	Concurrent Session 7G Oncogenic Viruses
16:15 16:30		Mini Break						
16:30 17:45		Concurrent Session 8A The Rhythm of Metabolism, and Mitochondria's Struggle between Power and Age	Concurrent Session 8B The Symphony of Metabolic Organs: From the Brain to the Periphery	Concurrent Session 8C New Development in Structure Biology	Concurrent Session 8D Emerging Viral Diseases	Concurrent Session 8E Cardiovascular Development, Regeneration and Disease	Concurrent Session 8F Genomic Stability	Concurrent Session 8G Translating Research Discovery to Technology or Therapeutics Product
19:00 21:30	Banquet (The Grand Hotel) Bus Schedule: 18:10 in lobby of HSSB							

HSSB:

A*: Intl. Conference Hall

B*: 1st Conference Room

C*: 2nd Conference Room

Activity Center:

D*: 1st Conference Room

E*: 2nd Conference Room

F*: Lecture Hall

G*: Auditorium

Time\ Place	Monday, June 29, 2015	
	International Conference Hall, HSSB	
09:00 09:10	Registration (08:30-10:40)	Administrative Announcement & Prize Drawing #1
09:10 09:50		Keynote Lecture 3 Dr. Ronald DePinho
09:50 10:20		Tang Prize Lectureship Dr. Tasuku Honjo
10:20 10:40		Coffee Break
10:40 11:30		Plenary Lectures 4 Dr. Chien-Jen Chen Dr. Mu-Ming Poo
11:30 12:10		Award Announcement & Prize Drawing #2 Closing Ceremony
12:10		Lunch
13:00 17:30		Organized Tours

HSSB:

Activity Center:

A*: Intl. Conference Hall

D*: 1st Conference Room

B*: 1st Conference Room

E*: 2nd Conference Room

C*: 2nd Conference Room

F*: Lecture Hall

G*: Auditorium
